AUDITOR'S REPORT

To The Shareowners' of

I.C.C. INTERNATIONAL PUBLIC COMPANY LIMITED

I have reviewed the Balance Sheets in which equity method is applied and Separate Balance Sheets of I.C.C. International Public Company Limited as of September 30, 2010, and the Statements of Income in which equity method is applied for the period of three-month and nine-month ended September 30, 2010, and the Separate Statements of Income for three-month and nine-month ended September 30, 2010 and 2009, and the Statements of Changes in Shareowners' Equity and Statements of Cash Flows in which equity method is applied for the nine-month ended September 30, 2010, the Separate Statements of Changes in Shareowners' Equity and Separate Statement of Cash Flows for the nine-month ended September 30, 2010 and 2009. These Financial Statements are the responsibility of the Company's management as to their correctness and completeness. My responsibility is to give a report on these Financial Statements based on my review.

I conducted my review under the accounting standards on review. Those standards require that I plan and perform the review to obtain reasonable assurance about whether the Financial Statements are free of material misstatement. This limited scope of review mostly including interviews from the Company's personnel and comparative analysis of the financial data, then provides less assurance than the audit under the generally accepted auditing standards. Therefore, I could not be able to express any opinion on the reviewed Financial Statements.

According to my review, I have not found any material matters according to the generally accepted accounting principles, which could be led to the belief that these Financial Statements are incorrect.

I used to conduct an audit of the I.C.C. International Public Company Limited's Financial Statements for the year ended December 31, 2009, in conformity with generally accepted auditing standards, which I expressed an unqualified opinion in the reports dated February 8, 2010. The Balance Sheets as of December 31, 2009, which have been brought in for comparison, are considered a part of the Financial Statements which I have already audited and reported hereto. I have not used any other method of audit after the date of that report.
