

# I.C.C. INTERNATIONAL PUBLIC COMPANY LIMITED

## Notes to the financial statements

As of December 31, 2011 and 2010

### 1. General statement

- 1.1 I.C.C. International Public Company Limited having the principal office at 530 Soi Sathupradit 58, Bangpongpan Subdistrict, Yannawa District, Bangkok is registered as a public company limited in accordance with Thai laws on May 9, 1994.
- 1.2 The Company's business is the distribution of consumer products.

### 2. Basis of preparation of the financial statements

- 2.1 The financial statements are presented in Thai Baht, rounded to the nearest thousand unless otherwise stated.

The financial statements are prepared on a basis in accordance with Financial Reporting Standard, including interpretation and guidelines promulgated by the Federation of Accounting Professions (FAP); applicable rules and regulations of the Thai Securities and Exchange Commission; and with generally accepted accounting principles in Thailand and the presentation in these financial statements have been prepared in compliance with the regulations in the notification of Department of Business Development of the Ministry of Commerce dated September 28, 2011 regarding the condensed form should be included in the financial statements B.E. 2554.

The financial statements have also been prepared under the historical cost convention for evaluating the element of transactions in the financial statements, except the transactions disclosed in the related accounting policy.

During 2010 and 2011, the FAP issued a number of new and revised Thai Financial Reporting Standards (TFRS) relevant to the Company's operations and effective for accounting periods beginning on or after January 1, 2011:

TFRS	Topic
TAS 1 (revised 2009)	Presentation of Financial Statements
TAS 2 (revised 2009)	Inventories
TAS 7 (revised 2009)	Statement of Cash Flows
TAS 8 (revised 2009)	Accounting Policies, Changes in Accounting Estimates and Errors
TAS 10 (revised 2009)	Events after the Reporting Period
TAS 16 (revised 2009)	Property, Plant and Equipment
TAS 17 (revised 2009)	Leases
TAS 18 (revised 2009)	Revenue
TAS 19	Employee Benefits
TAS 24 (revised 2009)	Related Party Disclosures
TAS 27 (revised 2009)	Consolidated and Separate Financial Statements
TAS 28 (revised 2009)	Investments in Associates
TAS 31 (revised 2009)	Interests in Joint Ventures
TAS 33 (revised 2009)	Earnings per Share
TAS 34 (revised 2009)	Interim Financial Reporting
TAS 36 (revised 2009)	Impairment of Assets
TAS 37 (revised 2009)	Provisions, Contingent Liabilities and Contingent Assets
TAS 38 (revised 2009)	Intangible Assets
TAS 40 (revised 2009)	Investment Property
TFRS 3 (revised 2009)	Business Combination
TFRS 5 (revised 2009)	Non-current Assets Held for Sale and Discontinued Operations
SIC 31	Revenue – Barter Transactions Involving Advertising Services

The adoption of these new and revised TFRS has resulted in changes in the Company's accounting policies. The effects of these changes are disclosed in note 3.

- 2.2 In addition to the above new and revised TFRS, the FAP has issued during 2010 a number of other TFRS which are expected to be effective for financial statements beginning on or after 1 January 2013 and have not been adopted in the preparation of these interim financial statements. These new and revised TFRS indicated in the following table.

TFRS	Topic
TAS 12	Income Taxes
TAS 20	Accounting for Government Grants and Disclosures of Government Assistance
TAS 21 (revised 2009)	The Effects of Changes in Foreign Exchange Rates
TFRS 8	Operating Segments
SIC 10	Government Assistance - No Specific Relation to Operating Activities
SIC 21	Income Taxes - Recovery of Revalued Non-Depreciable Assets
SIC 25	Income Taxes - Changes in the Tax Status of an Enterprise or its Shareholders

The Company is now under assessment of the impact on the financial statement of the year indicated on these TFRS.

### 3. Changes in accounting policies

From January 1, 2011, consequent to the adopted of new and revised TFRS as set out in the note to financial statement no. 2, the Company has changed its accounting policies in the following areas:

- Presentation of financial statements
- Accounting for property, plant and equipment
- Accounting for investment properties
- Accounting for employee benefits

Details of the new accounting policies adopted by the Company are included in the notes to the financial statement no. 3.1 to 3.4

#### 3.1 Presentation of financial statements

From January 1, 2011, the Company has adopted TAS 1(revised 2009) on the Presentation of Financial Statements. Under the revised standard, a set of financial statements comprises:

- Statement of financial position;
- Statement of comprehensive income;
- Statement of changes in equity;
- Statement of cash flows;
- Notes to the financial statements.

As a result, the Company presents all owner changes in equity in the statement of changes in equity and all non-owner changes in equity in the statement of comprehensive income. Previously, all such changes were included in the statement of changes in equity.

Comparative information has been re-presented so that it also is in conformity with the revised standard. Since the change in accounting policy only impacts presentation aspects, there is no impact on reported profit or earnings per share.

### 3.2 Accounting for property, plant and equipment

From January 1, 2011, the Company has adopted TAS 16 (revised 2009) Property, Plant and Equipment in determining and accounting for the cost and depreciable amount of property, plant and equipment as follows:

- 3.2.1 costs of asset dismantlement, removal and restoration have to be included as asset costs and subject to annual depreciation;
- 3.2.2 the depreciation charge has to be determined separately for each significant part of an asset;
- 3.2.3 in determining the depreciable amount, the residual value of an item of property, plant and equipment has to be measured at the amount estimated receivable currently for the asset if the asset were already of the age and in the condition expected at the end of its useful life. Furthermore, the residual value and useful life of an asset have to be reviewed at least at each financial year-end.

The Company assessed and found that the revised accounting standards have no material impact on property, plant and equipment. Except for change of the useful life, the Company has changed the estimated useful life for the office building from formerly 20 years to 50 years since January 1, 2011.

The changes have been applied prospectively in accordance with the transitional provisions of the revised standard. This impacted to the 2011 financial statements which affected a decrease of the calculated depreciation charge. The financial statements in which equity method is applied and separate financial statements for the year ended December 31, 2011 have also been affected with an increase in property, plant and equipment-net amounting Baht 5.4 million, and the net profit increased at the same amount as well.

### 3.3 Accounting for investment properties

The Company has adopted TAS 40 (revised 2009) Investment Property.

Under the revised TAS, the investment property, which is defined as property owned to earn rentals; capital appreciation; or both, is disclosed in the financial statements separately from other property, plant and equipment.

The Company has selected the cost model for accounting for its investment properties under the revised TAS. This is needs to disclose its fair value which is now under revaluation by an independent professional valuer as stated in notes no. 15. The change in accounting policy has been applied to reclassify the comparative financial statements from January 1, 2011 as follow:

	(Unit : Thousand Baht)		
	Before reclassification	Reclassification	After reclassification
<b><i>Statement of financial position as of December 31, 2010</i></b>			
Investment properties	-	858,353	858,353
Property, plant and equipment	2,223,798	(248,116)	1,975,682
Non - performed fixed assets	610,237	(610,237)	-

### 3.4 Accounting for employee benefits

From January 1, 2011, the Company has applied TAS 19 Employee Benefits.

Under the new policy, the Company's liability in respect of post-employment benefits - employee retirement and other long-term employee benefits are recognised in the financial statements based on calculations performed annually by a qualified actuary using the projected unit credit method. Previously, this liability was recognised as expenses for the period when payments were made.

The Company's liability for employee retirement and other long-term employee obligations as at January 1, 2011 has been determined to be Baht 342.97 million. The Company has opted to record the entire amount of this liability as an adjustment to retained earnings as at January 1, 2011, in accordance with the transitional provisions of TAS 19. The impact on the 2011 financial statements was as follows:

	(Unit : Thousand Baht)	
	Financial Statements in which equity method is applied	Separated financial statements
<i>Statement of financial position as of</i>		
<i>January 1, 2011</i>		
Retained earnings - unappropriated as of December		
31, 2010 - as reported in previous period	7,304,634	7,298,349
Increase in employee benefit obligations	342,972	342,972
Retained earnings - unappropriated as of		
January 1, 2011	<u>6,961,662</u>	<u>6,955,377</u>

#### **4. Summary of Significant accounting policies**

##### **4.1 Recognition of incomes and expenses**

Revenues from sales are recognized when goods are delivered after deduction of goods return and discount. This excludes the revenues from sales to retailers of which its payment will be recognized when the goods have already been sold to the end users.

Revenues from sales of real estate, condominium building for sale are recognized as income whenever the significant risks and rewards of ownership have been transferred to the buyer. The entity retains neither the continuing managerial involvement to the degree usually related with ownership nor effective control over the condominium units sold. The amount of revenue and cost incurred for the transaction can be measured reliably.

The interest income under finance lease contracts is realized according to the amount of installments to be paid. Calculation of the interest income is based on the sum of present value of the total amount of rent recognized as of the due date, no matter the collection has been made or not.

Other revenues and expenses recognized on accrued basis.

##### **4.2 Cash and cash equivalents**

Cash and cash equivalents mean cash in hand and every kind of bank deposits excluding the deposit that requires repayment when due.

##### **4.3 Allowance for doubtful accounts**

Allowance for doubtful accounts recorded is based on the Company's doubtful debtor and experience on uncollectible accounts.

##### **4.4 Inventory valuation**

Inventories in categories of trading and sales to retailers with condition are stated at cost or net realizable value whichever is lower. Cost is determined on a weighted-average basis.

Inventories on real estate-condominium are stated at cost or realizable value on specific basis.

4.5 VAT on unrecognized sales of inventories

VAT on unrecognized sales of inventories shall be registered upon the goods have been delivered to retailers and VAT has been submitted to the Department of Revenue. This VAT shall be registered as other current asset. The company shall also call for VAT from retailers after the goods have been sold to customers.

4.6 Investment in associated companies

Investment in associated companies are investment in an enterprise in which the company has significant influence and has the power to participate in the financial and operating policy decisions of the investment but is not in control over those policies. Investment in associated companies are stated at cost after deduction of provision for loss from impairment in the separated financial statements and included share of profit or loss of associated companies under the equity method in the financial statements in which the equity method is applied and recognized share of loss of associated companies from the investment reported at nil, except the extent that company has incurred obligations to satisfy obligations of associated companies.

4.7 Long – term investments

Long – term domestic marketable securities are considered as securities available for sale which stated at fair value. Differences from the change in value are stated in the shareowner’s equities and will be stated in the statement of income after disposal of such investment.

Long – term overseas marketable securities are considered as securities available for sale which stated at fair value. Conversion into Thai Baht currency varies as of the exchange rate at the end of the period. Differences from the change in value are stated in the shareowner’s equities and will be stated in the statement of income after disposal of such investments.

Long – term non – marketable securities in domestic area are considered as securities for general purpose, which are stated at cost after deduction of provision for loss from impairment.

Long – term non – marketable securities from overseas are considered as securities for general purpose, which are stated at cost after deduction of provision for loss from impairment. Conversion into Thai Baht currency varies as of the exchange rate at the transaction date.

4.8 Investment property

Investment properties are properties which are held to earn rental income, for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment property was stated at cost less commulated depreciation expense and reserve for loss from impairment of the asset (if any).

Depreciation expense for investment property has been calculated by using straight line method for the period of 20-40 years.

4.9 Property, plant and equipment

Land was stated at cost less provision for loss from impairment of the asset (if any).

Buildings and equipment were stated at cost less accumulated depreciation and reserve for loss from impairment of the asset (if any).

Depreciation of buildings and equipment has been calculated by using the Straight – Line Method at

following period :

Buildings	20, 50	years
Office equipment and vehicles	5	years
Furniture and fixtures	5	years
Computer components	3	years
Cash register	1	years

Depreciation of computers has been determined by using the Sum of Year's Digits Method for the period of 3 years.

TAS 16 (Revised in 2009) has defined that the company must include the preliminary estimated cost of the dismantlement, removal and restoration of the property site which are the obligations and costs of land, building and equipment of the company. The depreciation charge has to be determined separately for each significant part of property when compared with total costs. In addition, the revised TAS has set forth that the company has to review the remaining useful life and depreciation method at least the end of each accounting period.

#### 4.10 Intangible assets

Trade mark and License data base of customer has been written off by using the Straight – Line Method for the period of 10 years.

#### 4.11 Leasehold

Leasehold has been written off by using the Straight – Line Method according to the lease period.

#### 4.12 Impairment of assets

The company has considered the impairment of assets whenever events or changes indicate that the realizable value of the asset is lower than the book value. Loss from impairment of asset shall be recognized in the statement of income and shall be reversed whenever there is an indication that there is no longer impairment or reduction in impairment.

Net realizable value means net selling price of the asset or its utilization value whichever is higher, The company will consider the impairment for each asset item or each asset unit generating cash flow, whichever is practical.

#### 4.13 Transactions in foreign currencies

The foreign currency of assets and liabilities transactions have been converted into Thai Baht as of the transaction date. The outstanding amount of foreign currency as of report date is converted into Thai Baht, corresponding to the selling and buying average exchange rate of commercial bank in accordance with the announcement of Bank of Thailand as of the date thereof.

Gain or loss on currency exchange are taken into incomes or expenses as incurred in the annual Statement of Income.

#### 4.14 Income tax

The company has recorded income tax as expenses in the occurring period and was calculated according to the Revenue Code.

## 4.15 Basic earnings per share

Earnings per share as presented in the statement of income, is the basic earnings per share which is determined by dividing net profit for the year with the net average weight number of ordinary shares issued during the year.

No diluted earnings per share for the years 2011 and 2010 is presented as the company has no equivalent ordinary share.

	Financial Statements in which equity method Is applied and Separated Financial Statements	
	2011	2010
Number of weighted average – ordinary shares	290,633,730	290,633,730

## 4.16 Accounting estimates

Preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates for certain accounting transactions, affecting amounts reported in the financial statements and notes related thereto. Subsequent actual results may differ from these estimates.

## 4.17 Liabilities estimates

The company recognizes liabilities estimates when an entity has a present legal or estimate obligation as a result of the past event. It is probable that an outflow of economic benefit resources will be required to settle the obligation, and the amount of the obligation shall be made at reliable estimate. If some or all the expenditure to be required to settle a provision, is certainly expected to be reimbursed, the company shall recognize the reimbursement of such obligation settlement by some certain separate asset at the amount not exceeding the related liabilities.

*Sriracha Medical Centre Co., Ltd.*

In 2008, the Company has made a memorandum of loan payment in compliance with the new contract of compromise entered with Sriracha Medical Centre, the outstanding loan and interest due on date of memorandum totaling of Baht 10,599,372.84 (the capital amounting Baht 9,631,126.31 and outstanding interest Baht 968,246.53). To this memorandum, Sriracha Medical Centre agreed to pay the amount of

loan Baht 4,950,000.00 in the form of a plot of land with 15 sq. wah-space and one commercial building in Chonburi province (ownership right has already been transferred since August 22, 2008) at the market price Baht 2,950,000.00 plus the remaining amount of Baht 2,000,000.00 would be paid in 40 installments at Baht 50,000.00 each, effective since July 2008 until October 2011. Upon receiving the whole amount of payment as stated in the memorandum of loan payment in compliance with the new contract of compromise entered with Sriracha Medical Centre, the Company will waive its right in the outstanding debt to Sriracha Medical Centre at the total amount of Baht 5,649,372.84 which comprises of the capital amounting Baht 4,681,126.31 plus outstanding interest Baht 968,246.53. At the end of the period, the Company has reserved a doubtful account at full amount of the outstanding loan.

In October 2011, the Company has received a full payment totaling Baht 4,950,000.00 from Sriracha Medical Centre in compliance with the compromise agreement. The remaining debt at the amount Baht 5,649,372.84 has then been written-off as a bad debt.

*Laser Fashion Co., Ltd.*

The loan totaling Baht 4.11 million was given to Laser Fashion Co., Ltd. As of November 24, 2003, this company has been filed a law suit on bankruptcy by some creditors at the Central Bankruptcy Court. As of June 30, 2004 this doubtful debt has already been reserved in full amount. In 2008, Laser Fashion Co., Ltd. has paid some part of outstanding interest for the amount of Baht 127,638.43.

In 2009, the Company filed a law suit against Laser Fashion Co., Ltd. and Mr. Andreas Kirn as defendants. Later in 2010, a compromise judgment has been issued by the Civil Court. Then the Company and Mr. Andreas Kirn, the second defendant were allowed to enter into the contract of compromise with condition that Mr. Andreas Kirn has to pay all debt of Laser Fashion Co., Ltd. to the Company by transferring all properties and machinery of Mr. Andreas Kirn to the Company. Some of these properties have been sold to pay debts totaling Baht 771,055.32 while the others are on pending for sale.

In 2011, the Company has sold all remaining assets to pay debt totaling Baht 284,308.41 and written off the outstanding amount as bad debt totaling Baht 3,054,636.27.

*Siam Zokei Co., Ltd.*

In January and April 2008, the Company has given a loan totaling Baht 150.00 million to Siam Zokei Co., Ltd. for a period of one year at 7% interest rate with payment being made within January 27, 2009. This loan was guaranteed by another one company with seizure of the original title deeds owned by Siam Zokei Co., Ltd. and by the guaranteed company totaling two plots of land in Phuket province, with total area of 17 rai, 1 ngarn and 79.7 square wah, as its collateral.

In September 2008, Siam Zokei Co.,Ltd. requested a grace period for interest payment since September 2008 onward, due to lack of liquidity. The Company then issued a termination letter calling back for the whole amount of capital and interest.

In October 2008, the Company issued a notice requesting Siam Zokei Co., Ltd. to pay its debt and interest as being default of performing to the loan agreement. A civil case has also been filed to Siam Zokei Co., Ltd. requesting to pay the whole amount of capital and interest.

In December 2008, the Company has then reserved the allowance for doubtful account on this matter totaling Baht 75.00 million, which is calculated by the expected amount to receive from the borrower's guaranteed land, excluding the land guaranteed by the other company.

In April 2009, the court delivered judgment in accordance with the Compromise Agreement to which the Company has entered with Siam Zokei Co., Ltd. to enforce them to pay the full amount loan as being

sued totaling Baht 152,375,000.00 by 12 installments at Baht 12,697,917.00 each. The first installment was set on May 25, 2009 and the last one on April 25, 2010.

In May 2009, Siam Zokei Co., Ltd. failed to pay the first installment of its debt, the Company then filed a petition to the court which approved to seize the following properties of Siam Zokei Co., Ltd.:

Seized properties					Value appraised by the executing officers (Baht)	Sales by auction		
Month	Province	Land (plot)	Land with premised (plot)	Condo minium (unit)		Month	Bid price (Baht)	Properties for auction
Jun 09	Chiang Mai	-	4	16	72,795,411	Oct 10	60,100,000	- The Company won the bidding
		-	-	2		4,710,000	- Third party won the bidding.	
Jul 09	Phuket	1	-	-	6,300,000		-	} Waiting for auction
Feb 10	Chonburi	1	-	-	16,374,000		-	
		-	2	-	5,723,416	Nov 10	13,900,000	- Third party won the bidding.
<b>Total</b>					<b>101,192,827</b>		<b>78,710,000</b>	

As of December 31, 2011 the sold some properties are now waiting for payment in accordance with the court process. However, if the money gained from the sales by auction is not enough for debt payment, the Company has the right to further file the law suit to the above mentioned guarantor and the Company sold the properties won by bidding at the amount Baht 69.26 million to one company and the ownership right has already been transferred.

Regarding the seize plot of land in Phuket, the bidder has bought land in the auction price of Baht 60 million but the bidder not make payment on due time, the executing officer in Phuket then declared properties to be resold by auction. The case is now pending for announcement for auction by the officer.

*Erawan Textile Co., Ltd.*

In July and September 2010, the Company has given a loan totaling Baht 90.00 million to Erawan Textile Co., Ltd. at 3.50 - 5.00% interest rate. The period of payment is at call and without collateral.

<b>Net</b>			<b>4,000</b>	<b>(4,000)</b>	<b>-</b>	

The loan totaling Baht 40.00 million has been given to Thai Itokin Co., Ltd. for a period of 2 years starting from December 19, 2007 to December 15, 2009. Payment would be done in monthly basis within 20 installments at Baht 2.00 million per installment. The first payment will start in May 2008 and the last installment will be in December 2009.

In January 2009, an agreement has been made to extend payment of loan. The payment shall be in every month for 24 installments at Baht 1.00 million per installment. This shall start from January 2010 to December 2011 to support the supply chain. The Company has already received regular payment to both capital and interest without failure.

For the period of September to December 2010, Thai Itokin Co., Ltd. has asked to postpone the loan payment as due on the period of Baht 1.00 million per monthly installment, totaling Baht 4.00 million, which have due payment in January to April 2012.

**14. Long - term loans to employee**

A financial-aided welfare for employees has been initiated by the Company in January 2008. This loan-typed welfare has the payment period of not over 72 monthly installments starting from the loan date with MOR divide-by-three and MOR interest rate, by using the employee's car registration certificate as a guarantee. Employee who is entitled to this welfare should meet the required qualification and comply with the Company's announcement on "Employees' Financial Welfare".

## **23. Other benefit of employee**

### **23.1 Provident fund**

The Company and employees have jointly set up a provident fund according to the Provident Fund Act of 1987 on June 3, 1996 with the registration No.41/2539. The Company has authorized a certified fund manager to manage the Fund by withholding from the employees' payroll and Company contributions. Employees will receive their eligible portions upon legitimate separation from the Company. The Company has paid its contributions to the provident fund for the years ended December 31, 2011 and 2010 totaled Baht 15.36 million and Baht 14.72 million, respectively.

### **23.2 Retirement money**

The Company has set up a regulation to pay compensation money to the retired employees who have the required qualification and comply with the Company's announcement on Employee's Retirement.

From January 1, 2011, the Company has adopted TAS 19 Employee Benefits.

Under the new policy, the Company's liability in respect of post-employment benefits - employee retirement and other long-term employee benefits are recognised in the financial statements based on calculations performed annually by a qualified actuary using the projected unit credit method. Previously, this liability was recognised as expenses for the period when payments were made.

The Company's liability for employee retirement and other long-term employee obligations as at January 1, 2011 has been determined to be Baht 342.97 million. The Company has opted to record the entire amount of this liability as an adjustment to retained earnings as at January 1, 2011, in accordance with the transitional provisions of TAS 19. The impact on the 2011 financial statements as stated in the notes to the financial statement no. 3.

Employee benefit obligation for the year ended December 31, 2011.

Other long-term benefits	4	-
<b>Total</b>	<b>87,539</b>	<b>75,655</b>

#### 27. Segment information

As the Company has run a business as a distributor of fashion - oriented consumer products with export value less than 10 percent of the total sales, so it was deemed no significance to disclose any segment information on this matter.

**28. Financial instruments**

## 28.1 Risk management

The Company has no policy to speculate in or trade in any monetary transaction.

## 28.2 Interest rate risk

The interest rate risk arises from the fluctuation of the market rate which has affected business performance and cash flow. Hence the Company's financial data mostly bear the interest rate adjusted according to the market interest rate.

## 28.3 Foreign currency risk

Due to the very small number of foreign trade debtors and creditors, the Company then has not entered into the forward exchange contracts for hedging such exchange risk as the risk is immaterial.

## 28.4 Credit risk

Due to the cautious policy in providing credit facilities with strictly-controlled debt follow up and most of the debtors have long time dealt with the Company, so no significant loss from debt collection is expected. As of December 31, 2011 and 2010, the Company has reserved the doubtful accounts amounting to Baht 26.41 million and Baht 36.43 million equivalent to 1.40% and 2.08% of trade accounts and notes receivable respectively. Consequently, the contingent credit risk has already been reserved.

## 28.5 Fair value

Financial instruments held to maturity in the normal course of business are recorded at cost or at the amount of payment at call as appropriate.

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable, willing parties under independent negotiation and non-related business.

The Company uses the following methods and assumptions in estimate the fair value of each significant class of financial instruments:

## 28.5.1 Cash and cash equivalents, current investment, loans to related parties, trade accounts receivable and trade accounts payable including other debtors and creditors.

The value stated in the balance sheet is close to the fair value due to the short term period of payment and payment receivable.

## 28.5.2 Investment in securities

The fair value of investments in marketable securities is the current quoted market prices. While the investments in non-marketable securities have been reasonably calculated on the net assets of such investments, of which their values are close to the ones stated in their statement of financial position.

## 28.5.3 Investment in debt securities

The fair value is estimated by the present value method based on the present interest rate for the financial asset at nearly the same maturity date.

Followings are the carrying value stated in the statement of financial position and estimated net fair values of significant financial assets held on December 31, 2011 and 2010 :

(Unit : Thousand Baht)

	Financial statements in which equity method is applied and Separated financial statements			
	December 31, 2011		December 31, 2010	
	Amount shown in the Statement of financial position	Fair value	Amount shown in the Statement of financial position	Fair value
Investment in debt - securities	65,000,000	63,331,440	65,000,000	64,957,120

## 29. Capital management

The major objective of the Company's capital management is to adopt an appropriate financial structure, maintaining the capability in continual business operation and relying more on internal business capital than borrowing from external institutes.

As of December 31, 2011 and 2010, the Company has debt - equity ratio as follows:

	Financial statements in which equity method is applied and Separated financial statements	
	December 31, 2011	December 31, 2010
Debt - equity ratio	0.21	0.18
